Apprenticeship Application Dates: Applications are handed out every 3rd Tuesday of the month from 9 AM to 12 PM; The Northeast Area Apprenticeship Committee accepts applications for Field Construction Boilermaker Apprenticeship positions on a continuous basis; applications and requested documentation are to be returned to the NE Area office via certified mail/return receipt requested within 10 business days; the NE Area office reviews and processes all new applications on a quarterly basis ONLY utilizing a random selection process with new applicants placed on a list for a period of 2 years and will need to reapply if not offered employment in that time; and applications will NOT be mailed or emailed to applicants per company policy. *(Applicants possessing welding experience or training will have priority selection over those with no welding qualifications or training)*

Apprenticeship Requirements:

- 18 years of age or older
- Must provide copies of written, verifiable proof of welding qualifications and/or training
- Must provide copies of birth certificate
- Must provide copy of high school diploma or GED
- Be willing to participate in alcohol and drug testing within 48 hours after signing the apprenticeship agreements
- Have reliable transportation to the related instructions and to travel long distances to job sites
- Be physically able to perform the usual tasks required in the Boilermaker Trade as determined by a verbal declaration
- Applicants are divided into 4 pools:
 - Pool I Applicants possess Certified Tube (Pipe/TIG/SMAW 1G-6G) Welding Certificates
 - Pool II Applicants possess Certified Plate (MIG Plate/SMAW Plate) Welding Certificates
 - Pool III Applicants possess Vo-Tech or Welding School Certificates (*regardless of welding process studied*)
 - Pool IV Applicants possess no certifiable welding skills

Apprenticeship Process: To become a Journeyman Boilermaker an applicant must complete a minimum 6,000-hour Apprenticeship Program consisting of on-the-job training, 48 online self-study lessons and tests, 8 performance based tests, 21 OJT booklets, and a minimum of 144 hours per year of classroom instruction. All apprentices are subject to a probationary period of 1,500 hours or 1 year-whichever occurs first. This is a 4 year program.

Where to apply: Boilermakers Local 154 Union Hall 1221 Banksville Road, Pittsburgh, PA 15216 in person (ONLY) no later than 12 PM with valid photo ID.

Bricklayers and Allied Craftworkers Local #9

Updated 5/25/2022

[Back to List](#)

Local Business Agent: Tom Auman
Cell: 412-860-8397
Work: 800-238-0999
tauman@windstream.net

Application Contact: Kurt Keller
Office: 412-825-0923
kurtkeller@baclocal9.com

Apprenticeship Application Dates: Bricklayer, cement mason, pointer- cleaner-caulker, stone mason, tile layer, and terrazzo worker applications are accepted all year. Bricklayers and Allied Craftworkers Local 9 PA 100 Kingston Drive Pittsburgh, PA 15235 or at the website: www.local9pa.com

Apprenticeship Requirements:

- Applicant must be of good moral character and be able to perform the physical work of the trade
- Applicant must be 18 years of age
- Must provide a high school diploma or GED certificate or must be 17 years of age and have a high school diploma or GED certificate and a parent or guardian signature
- Applicant must have a valid PA driver's license
- Applicant must take a written exam set up by the JATC and attend a JATC oral interview
- Applicant must pay a nonrefundable processing fee of \$25 to be paid at time of submitting application
- Applicants may be required to submit to a test for substance abuse
- Applicant must be willing to attend an out-of-state school for 8 weeks
- Applicants must reside within the jurisdiction of BAC Local 9 PA and the appropriate chapter for which they are applying
- Subject to a criminal-record check

Apprenticeship Process: Apprentice training classes take place in the spring and fall, at both the Pittsburgh and Ridgway training centers. These classes are mandatory for all apprentices. Apprentices who do not attend the required training classes may be expelled from the program. Apprentices are not permitted to miss class due to work. All apprentice classes missed due to work will be considered unexcused, and you will not receive class credit. Cross craft training is available to all members in good standing. Training will take place on the same days/times/locations as the apprentice training classes referenced above. You must contact the union to sign up for this training. OSHA 10 Hour, OSHA 30 Hour, and MSHA New Miner courses are now available online. You may take these classes online and get reimbursed for the cost of the course. Contact the union for a list of authorized web sites for taking these courses. Proof that you passed the course, and a copy of your receipt will be required for reimbursement. Classes are still offered at the training center for those who do not want to do the training online.

Where to Apply: Bricklayers and Allied Craftworkers Local 9 PA 100 Kingston Drive Pittsburgh, PA 15235; or at the website: www.local9pa.com; or the local Career Link in the area (www.cwdsstate.pa.us) and return to the address listed here addressee Kurt Keller.

ELECTRICIANS JOINT APPRENTICESHIP AND TRAINING COMMITTEE

I.B.E.W. Local Union #5 and The Western PA Chapter of N.E.C.A.
5 Hot Metal Street, Suite 100, Pittsburgh, PA 15203-2356
412-432-1145

www.ibewlocal5jadc.org

ELECTRICAL APPRENTICESHIP opportunities for those who meet the requirements are hereby announced by the Joint Apprenticeship and Training Committee of the I.B.E.W. Local Union #5 and the Western PA Chapter of N.E.C.A.

APPLICANTS MUST MEET THE FOLLOWING REQUIREMENTS:

- A. Must be at least 18 years of age.
- B. Must be a high school graduate or hold a GED.
- C. Must have received credit for the successful completion of at least one secondary or post-secondary algebra course.
- D. Must be willing to take any tests required by or for the JATC, including substance testing, physical examinations, color blindness, etc. (*Cost of testing and selection of provider to be determined and paid by the JATC.*)
- E. Must be a resident of one of the following counties in Pennsylvania for at least one year prior to application: Allegheny, Armstrong, Bedford, Blair, Butler, Cambria, Cameron, Centre, Clarion, Clearfield, Elk, Fayette, Fulton, Greene, Huntingdon, Indiana, Jefferson, McKean, Somerset, Venango, Washington, and Westmoreland.
- F. Must submit a non-refundable processing fee of \$25.00 (Twenty-five Dollars)
- G. Must have a valid Pennsylvania Driver's License

The recruitment, selection, employment, and training of apprentices shall be without discrimination due to race, color, religion, national origin, sex, or non-job-related disabilities. The sponsor shall take affirmative action to provide equal opportunity in the apprenticeship and will operate the apprenticeship program as required under Title 29 or the Code of Federal Regulations, Part 30, and the Equal Employment Opportunity Regulations of the Commonwealth of Pennsylvania.

Applications are available anytime for completion online via TradeSchool:

<https://ibewlocal5jadc.org/become-an-apprentice/application-process/>

A QUICK SUMMARY OF THE APPRENTICE PROGRAM

1. LENGTH OF APPRENTICESHIP – 5 Years

- A. 10,000 hours of On-the-Job Training
- B. 2,000 hours of related schooling, plus 24 credits hours of CCAC classes over the 5 years.

Iron Workers Local #3

Updated 5/26/2022

[Back to List](#)

Local Business Agent: Bob Allen
Cell: 814-592-4824
Work: 814-765-7535
ballen@lwlocal3.com

Application Contact: Bob Allen
Cell: 814-592-4824
Work: 814-765-7535
ballen@lwlocal3.com

Apprenticeship Application Dates: Applications can be submitted year round.

Apprenticeship Requirements:

- Minimum age of 18
- High School diploma or GED
- Pass aptitude or muster test
- Good physical condition
- The ability to pass drug and alcohol screenings
- Have a valid driver's license and access to a car
- Live in one of the following counties: Allegheny, Armstrong, Beaver, Blair, Butler, Cambria, Cameron, Center, Clarion, Clearfield, Clinton, Crawford, Elk, Erie, Fayette, Forest, Greene, Indiana, Jefferson, McKean, Potter, Washington, Warren, or Westmoreland

Apprenticeship Process: The program is a 3 year program. All of the training (for all three zones) is conducted at the training facility located in the heart of the Strip District of Pittsburgh. Training is conducted year round as the apprentice works for one of the contractors. At seven different times throughout the year, the apprentice will be required to attend the training facility for one week at a time. That's 280 hours of quality training each year. Each training week is set up to follow the same time schedule as a typical work week, combining classroom instruction with indoor and outdoor hands on training that will simulate the same conditions that an apprentice will encounter on the job site. The program is run under the guidelines of the State Approved Apprenticeship Standards. Classroom hours of 1,032 or 3 years and OJT hours of 4,200 or 3 years. Courses: Structural Steel Construction, Precast Concrete Construction, Certified Rigger, Blueprint Reading, Ornamental Ironworking, Reinforcing Construction, Post Tensioning Systems, Shielded Metal Arc Welding, Flux Core Automatic Welding, Curtain Wall Systems, Crane Assembly and Dismantling, Oxy-acetylene Burning, OSHA Safety, Pre-engineered Metal Building Construction. Available Certifications: OSHA 10-Hour, OSHA 30-Hour, OSHA Subpart R, Welding (both SMAW and FCAW), CPR & First Aid, Rigger, Scaffold Erector and User, Ariel Platform Operator, Level 1 & 2 Unbonded Post Tensioning.

Where to Apply: In person at 1402 Leonard Street Clearfield, PA 16830 or 2201 Liberty Avenue Pittsburgh, PA 15222 or online at www.iwlocal3.com.

Website: <https://www.iwlocal3.com/> **Video:** <https://www.youtube.com/watch?v=7FpkGo7odkU>

Operating Engineers Local #66

Updated 5/25/2022

[Back to List](#)

Local Business Agent: Tim Ammerman or (Koppenhaver as a contact)

Work: 814-765-7888 or 1-800-231-8074

tammerman@iuoe66.org

Application Contact: Neil Marisa

Work: 724-668-2244 Ext. 302

Training66@windstream.net

Apprenticeship Application Dates: Applications are normally available for a two week period each December. Go to the "Pre-Register" section of this website <https://www.wpaoperators.org/> to register to receive a notice which will be sent to you 30 days prior to the next application period.

Apprenticeship Requirements:

- Reside in one of the 33 counties of Western Pennsylvania or Columbiana, Mahoning, or Trumbull counties of Ohio for a minimum of 6 months
- Be at least 18 years of age at the time of acceptance into the program
- Have a high school diploma or GED
- Have a valid PA or Ohio driver's license and dependable transportation
- Pass a Department of Transportation physical exam
- Pass a drug test

Apprenticeship Process: The Western Pennsylvania Operating Engineers Joint Apprenticeship and Training Program is a non-profit educational training program organized for the purpose of providing qualified Heavy Equipment Operators and Mechanic Technicians to employers in the construction industry by utilizing two related but separate apprenticeship courses: a Heavy Equipment Operator course and a Heavy Equipment Mechanic Technician course. Each course is 4 years in length and combines training at their site in New Alexandria, PA with actual on-the-job experience. The term of apprenticeship in the Mechanic Technician program is 6,000 hours of on-the-job training and from five to seven weeks of instruction per year at the Training Site.

Where to Apply: In person at 214 N 2nd St, Clearfield, PA 16830 or utilize the online method listed above.

Road Sprinkler Fitters Local #669, UA (United Association)

Updated 8/19/2019

[Back to List](#)

Local Business Agent: Mike Travis
Work: 724-421-9234
Mtravis66936@gmail.com

Application Contact: Can contact Mike Travis but application process is online. The UA Sprinkler Fitters Local 669 apprenticeship program is offered through the JOINT APPRENTICESHIP AND TRAINING COMMITTEE. (J.A.T.C.).

Apprenticeship Application Dates: Online year-round at <https://training669.org/>

Apprenticeship Requirements:

- Must be at least 18 years old
- Must have a high school diploma or GED
- Must be physically fit to do the work of the trade
- Must have other than dishonorable discharge from the military (if applicable)
- Must pass appropriate drug test

Apprenticeship Process: The Apprenticeship Program is a five-year program with on the job training and a 19 Course correspondence through a nationally recognized university. Once you have entered the Apprenticeship Program and have completed your six-month probationary period you are eligible to become a member of Local 669. An Apprentice is paid at a percentage of the Journeyman wage. Each six months of the Apprenticeship the apprentice records are reviewed to make sure that there is satisfactory progress both on the-job and in the related training courses. Satisfactory progress means advancement to the next classification and a wage increase until the Apprentice completes the five-year program. The wage rate of apprentices is determined by the "Class" of the apprentice. The Apprentice will receive the appropriate percentage of the Journeyman wage rate in the state where he/she is working. The Sprinkler Fitter wage rate is negotiated state by state, based on the economic conditions of the state. All apprentices will participate in a Health and Welfare program that provides medical coverage and life insurance. In addition to that, apprentices will start building a Pension once they meet the stipulated requirements to begin participation. Both the Health and Welfare and Pension programs are among the finest in the construction industry.

Where to Apply: Online at <https://training669.org/get-started-with-local-669-jatc/>

Sheet Metal Workers #12 (Cameron, Clearfield, Elk, McKean, Jefferson)

Updated 5/25/22

[Back to List](#)

Local Business Agent: Todd Dietrich (Cam, Clfd, Elk, McKean)
Cell: 412-828-5300
Work: 412-828-5300
info@SMLocal12.org

Application Contact: John Moore
Work: 412-339-4848
JATF@smlocal12.org

Apprenticeship Application Dates: Applications accepted year round.

Apprenticeship Requirements:

- Must be 18 years of age (proof of age required, valid driver's license must be submitted at time of application and provided for a copy)
- Must be able to perform essential job functions of the trade, with due regard to aptitude, attitude, personal characteristics, and shall be subject to a medical examination and a urinalysis test for drugs prior to being employed. Any applicant who has a positive urinalysis test, or who refuses to take such a test, will not be admitted. The Apprenticeship Fund will pay for the cost of the urinalysis and physical
- Secure a folder to keep all documents to fill out or obtain in. Keep this folder at home until the entire process is complete, and are ready to be interviewed
- Read through the job description thoroughly. Sign off on that document stating that you fully understand the physical demands of the work and are fit and healthy enough to perform them. Place that "Physically Able to Perform Work" document in your folder
- Fill out the "Application for Apprenticeship" section completely
- Provide a Copy of Birth Certificate

Apprenticeship Process: Fill out an application for admission to CCAC (the apprenticeship is a certificate program through them). This application will enable the opportunity to obtain credits through the program toward a degree and allow the chance to take the entrance exam (ACT Compass) at no charge. Register at CCAC online at ccac.edu. Sign up for "General Studies", placement in the program after being accepted. Take the Placement Test. Register and schedule the placement test at their web site: <https://ccac.edu/appointment-central/>. Your scores are important. The program is affiliated with CCAC and students receive college credit for classes. Students need to demonstrate they have the basic mathematics and communication skills necessary for success in a building trade's career. There are no minimum scores for acceptance, but those scores will be added to the overall point totals as an applicant. Once documentation of your scores then begin the next steps. Put that document in the folder. Classroom Hours: 1,000 plus electives in training (4-5 YRS) Hours OJT: Up to 9000 (4-5 YRS).

Where to Apply: Either in person at 1200 Gulf Lab Road, Pittsburgh, PA 15238 or mail in completed application from link:

Teamsters #110

Updated 5/25/22

[Back to List](#)

Local Business Agent: Rick Keller
Work: 814-472-6646
Cell: 814-659-2963
Keller1022@aol.com

Application Contact: Use Rick Keller to help get connected with providers

Apprenticeship Application Dates: *THERE ARE NO APPLICATION DATES FOR THIS LOCAL UNION*

Apprenticeship Requirements:

- At least 18 years of age to begin process, 21 to obtain CDL
- High School Graduate or GED
- Can read and speak the English Language sufficiently to converse with the general public
- Understand Highway Traffic Signals
- Pass DOT Physical and physical qualifications stated in Subpart E of the Federal Motor Carrier Safety Regulations 391.41
- Valid driver's license (DMV Report) with ability to obtain Class A CDL with all required endorsements required by the DMB (at applicant's expense)

Apprenticeship Process: Teamsters Apprenticeship Program focuses on two professions not normally associated with apprenticing: CDL drivers and dock workers. In fact, the program is the first in the U.S. that recognizes dock work as an "apprentice able" professional craft. The structure of the program is based on targeting three groups: transitioning military personnel, high school graduates and current dock workers. While service members returning to the civilian workforce are placed on an accelerated track for CDL training, incumbent dock workers are placed on a track to upgrade to CDL. Meanwhile, high school graduates who are too young for their CDL licenses are trained to become dock workers until they are 21 and eligible for CDL training. Each of these apprenticeship tracks leads to a year of on-the-job supervision following CDL training until the Teamster apprentices are considered full-fledged journey workers in the CDL driver profession. At 18 years old, an apprentice dock worker is registered with the DOL when they enter the program. Progress is closely monitored by instructors who themselves are trained as part of the program. After 144 hours of dock operation training, 2,690 hours of supervised work experience is required. Once age appropriate, training begins to upgrade to a CDL. This involves another 240 hours to train to obtain CDL-A licenses, followed by another 2,690 hours of work experience. The apprentices are selected by the Joint Apprenticeship Training Committee, which oversees the program and is comprised of representatives from the union and the employer. The Teamsters secured federal grant funding to support the development of the apprenticeship program, which will be sustained by employer contributions. And the union is also looking to apply for state-level grants to further support the effort.

Where to Apply: *THIS LOCAL UNION DOES NOT PROVIDE TRAINING OR HIRE APPRENTICES, THEY WILL SET A STUDENT/INDIVIDUAL UP WITH A LOCAL PROVIDER THAT IS IN NEED OF EMPLOYEES AND CAN HIRE THROUGH THE COMPANY AS AN APPRENTICE*
