Attachment 3: WIOA Local Workforce Development Delivery System
Program Partner-Provider List

Local Workforce Development Area Name: North Central
Effective Date (must align with current MOU): __July 1, 2024-June 30, 2026_____

Local workforce development boards (local boards) may supplement this template with their own version if all required template information is reflected. Local boards must publicly post this list to address the public's need for access to service as mandated by the Workforce Innovation Opportunity Act (WIOA).

Required programs (as listed in WIOA sec. 121(b)(1)) and the corresponding program authorization information are pre-filled for convenience. In the event multiple providers provide the same program, it is the local board's responsibility to add this information accordingly. WIOA also specifies that one-stop centers may incorporate additional partner programs. Thus, the local board must ensure this document reflects the current PA CareerLink® Memoranda of Understanding and include any necessary additional partner program(s) contact information.

This list should be reviewed annually for revisions. If further revisions are required after a local area plan (or subsequent plan modification) is approved, another separate plan modification is not required.
