North Central Workforce Development Board

Kersey, PA 15846

Dear Ms. Christoff,

The Pennsylvania Department of Labor & Industry, or Department, has approved the North Central Workforce Innovation and Opportunity Act (WIOA) Program Year (PY) 2021-2024 local plan modification. Such approval is effective through June 30, 2025.

Approval of this plan modification does not constitute approval of any practice that conflicts with federal and state statutes, regulations, or policies, nor does approval preclude the commonwealth from, at its discretion, readdressing any part of the plan if content is found that conflicts with such statutes, regulations, or policies.

You and your staff are to be commended for your successful efforts to develop the PY 2021-2024 Local Plan Modification in alignment with WIOA and the commonwealth's WIOA Combined State Plan Modification.

Please direct specific questions regarding your plan, the planning process and/or future requests for plan modification to Christopher Manlove at (717) 787-9804 or cmanlove@pa.gov.

Sincerely,
