Good morning, Donna and all.

Please retain this email for your records, as it serves as formal confirmation that the Department has fully accepted your final submission. As referenced in your conditional approval letter, your local area plan is now fully ratified, and full approval will be extended through June 30, 2029.

You and your staff are to be commended, again, for your successful efforts. Well done!

Final Administrative Step:

As explained on page 5 of L&I's Planning Guidance, you must publicly post your conditional approval letter, approved local area plan, and supplemental plan information on your local board's website within 90 days of this final approval (i.e., by 11/10/25). Required supplemental plan information includes:

- Attestations
- Attachment 1: Local Area WIOA Title I Performance Accountability template
- Attachment 2: Local Workforce System Organizational Chart model, and
- Attachment 3: Local Workforce Development System Program Partner-Provider List template

Thank you for your commitment to the WIOA planning process.

Please do not hesitate to reach out if you have any questions or need any further assistance.
