*Career Pathways Mapping RFQ*

*Question and Answers*

Workforce Solutions for North Central PA has received the following questions in response to the Development of Career Pathways Mapping RFQ released on 02/06/2024.

**Question:** Has Workforce Solutions confirmed the number of employers for which it aims to build career maps?

**Response: 12 to 25**

**Question:** Related, are you looking at more than one map per employer?

**Response: Not necessarily, but some employers may have more than one.**

As per the RFQ there are two goals:

1. The development of 12-25 completed career maps by the end of the contract award date.
2. Training of our staff and PA CareerLink® staff to sustain the project beyond contract end.
