Apprenticeship Application Dates: 2nd Thursday of every month from 2 PM - 6 PM. Call first in case distribution is cancelled due to the economy.

Apprenticeship Requirements:

- 18 years of age or older with birth certificate or other such document for proof of age
- Drug free
- High School diploma or equivalent preferred
- Experience with Algebra, Geometry, and Mechanical Drawing preferred
- Ability to work long hours
- Ability to withstand harsh weather conditions
- Ability to work at significant heights and/or confined spaces
- Applicants must reside in and have been a bona fide resident of the geographical jurisdiction for one year prior to making application
- \$25 application fee in person

Apprenticeship Process: Apprenticeships include a minimum four (4) year training program with classroom hours of 576 or 4-5 years and 6,400 hours of on-the-job training or 4-5 years with journeymen insulators, who help the apprentices put their classroom knowledge and skills developed on mock-ups in the training labs, to use in the field through side-by-side professional job supervision. Apprentices will receive a minimum of 720 hours of classroom instruction over the 4 years, 144 hours per year, and 1,600 hours of OJT per year. Courses: Installation & Processes of Insulation Relative to Industrial & Commercial Mechanical Systems, Duct, Piping, Boilers, Storage Tanks, Equipment Utilized in Energy Efficiency and Safety, Control of System Heat Transfer & Condensation. Available Certifications: OSHA, CPR & First Aid, Abatement Processes.

Where to Apply: Union office, 2484 Seneca St. Buffalo, NY 14210.
