**Program**

Local Workforce Development Area Name: North Central  
Effective Date: July 1, 2023

Local Workforce Development Boards, or LWDBs, must publicly post the PA CareerLink® Workforce Service Delivery System Program Partner/Provider List to address the public’s need for access to service as mandated by the Workforce Innovation Opportunity Act, or WIOA. Required programs (as listed in WIOA sec. 121(b)(1)) and the corresponding program authorization information are pre-filled for convenience. In the event multiple providers provide the same program, it is the LWDB’s responsibility to add this information accordingly.

WIOA also specifies that one-stop centers may incorporate additional partner programs. Thus, the LWDB must ensure this document reflects the current PA CareerLink® Memoranda of Understanding(s) and include any necessary additional partner program(s) contact information.

*Local area plan modifications concerning this subject matter are not required to be submitted to the Department if the list is posted on the LWDB public website.*
